There will be a meeting of the Forest Theatre organization at Arts and Crafts Hall at 8 o'clock tomorrow evening, at which time the Play Committee will present its plans for the summer plays. As the committee has some very interesting and unique plans for the coming season, it will be well worth while for the members and anyone interested to attend. Everyone is most cordially invited to be present.

ITEMS OF INTEREST.
 At the Reading Circle on Monday evening, the amendments were taken up and discussed, Mr. Fred Sheldon presiding. The expressions of opinion were varied, but on most of the vital questions the verdict was unanimous, though no vote was taken.
 Mrs. Horace H. Tinker of New York, a friend of Misses Culbertson and Johnson, who has been in Carmel since last March, has just left for a trip to the South Seas, New Zealand, Ceylon, South America, Spain and New York, after which she will return to Carmel, to remain indefinitely.
 Mr. and Mrs. E. C. Rockwell and their two daughters, Miss Doris and Mrs. H. K. Norton, are in Pasadena for the winter.

BUILDING

in its broadest sense is the natural instinct of a vast majority of all human beings.
 It is my business to build what you desire, according to your price, plans, specifications.
 Put a house on that Carmel lot of yours. It will bring you a satisfactory income.

New Crank Case Service for Motorists

YOU probably know that after a few weeks of driving your lubricating oil becomes dirty with carbon, road dust and fine particles of metal, which circulate through your engine and cause unnecessary wear on bearing surfaces. And gasoline escapes past the pistons and dilutes the oil. Granted. There's nothing new about that—but—

Here's an absolutely new way to get rid of this dirty, diluted oil and put your engine in line for better performance and longer life. It is called Modern Crankcase Cleaning Service.

Modern,—because we use Calol Flushing Oil, the new, scientific,

thorough flushing agent that does not contaminate the fresh oil.

Our skilled mechanics know how to clean out a crankcase with it correctly and quickly, at a nominal cost to you.

This service assures proper lubrication for your cleaned engine. We refill the crankcase with fresh Zerolene of the correct grade.

We recommend Modern Crankcase Cleaning Service as the latest word for better engine operation and longer life for your car.

TODAY: Bring in your car for Modern Crankcase Cleaning Service.

Phillipine Facts

They have been Christians for 300 years and have a culture and refinement that will compare very favorably with that of other nations.

There are only 6,684 Japanese in the Philippines. There are about 100,000 Japanese in California alone, or 15 times as many as in the entire Philippine archipelago.

English is taught exclusively in the Philippine public schools. Two million natives now speak English fluently, and there are 700,000 English speaking children in the public schools. It is destined to be the national language.

Seventy per cent of the inhabitants of the Philippines over ten years of age, according to a census just completed, are literate. This is a higher percentage of literacy than that of any South American country, higher than that of Spain and higher than that of any of the new republics of Europe whose independence is being guaranteed by the Allies.

The Filipino people are unanimous in their desire for independence. Whenever they are called upon to deposit their ballots they have always ratified this aspiration. At every session before adjournment their representatives in the Legislature reiterate their faith in the principles of liberty and the independence of the Filipino people.

The Filipinos declare they have no grudge or grievance against the American people. Their appeal is accompanied by a message of friendship and gratitude for all that America has done for them. They point out that Uncle Sam gave independence to Cuba, and they hope that they, too, will receive that boon without which, they declare, no civilized and patriotic people can enjoy the maximum of happiness and self-respect.

A special delegation of Filipinos, officially representing the Filipino people, attended the Republican and Democratic National conventions, seeking an indorsement of the Filipino desire for independence at the two platforms. Their arguments, briefly stated, were as follows:

First.—That the American Declaration of Independence declares that governments derive their just powers from the consent of the governed;

Second.—That the American Congress, in the Jones law, solemnly promised the Filipinos independence upon the establishment of a stable government, and that their claim that the said stable government is now in existence in the islands has been officially confirmed by America's own representatives there; and

Third.—That America went before the world in the recent war as the avowed champion of "self determination," American soldiers having been told it was one of the things they were fighting and dying for.

HOME SERVICE FOR EVERYBODY IN NEED

Do you know what the present day Home Service of the American Red Cross is?

Many people do not know that, besides completing the work for ex-service men, especially the disabled, it provides the same neighborly service to families in general that it formerly gave families of soldiers, sailors and marines.

"Home Service covers a wide and varied field," says Frederick C. Munroe, general manager of the American Red Cross. "It gives aid to families in solving such problems as budget planning, marketing, tiding over times of financial stress, keeping children in school, helping crippled children, widowed and deserted mothers, children backward in school and children in conflict with the laws. It renders service to the homeless and transient, to the illiterate, to tenement dwellers, to the unemployed, and gives friendly assistance and advice to foreign speaking groups."

In addition to helping families in the solution of their own problems, Home Service helps in strengthening the weak spots in the social life of communities. It joins hands with others to make communities safer, healthier and happier.

Organizing action along lines in which the community is already interested is one of the objects of Home Service. It has established community meetings, patriotic celebrations, pageants and picnics. Rest rooms, recreation facilities, play supervisors and moving pictures have been provided. Through Home Service other agencies are influenced to bring about improved commercial amusements and better school facilities and to promote traveling libraries as well as to secure county agricultural and home demonstration agents.

If you need assistance at any time, go to the secretary of the nearest Red Cross chapter and describe the situation. Your confidence will be sacredly respected and every possible effort will be made to aid you.

IN CARMEL BY THE SEA *

From two and twenty towers
Of the ancient Mission chain,
—Wilting, fading flowers,—
There comes the soft refrain
The Mission bells are singing
To their new found sisters ringing
Of the joy to hearts they're bringing
In Carmel by the Sea.

Gone are the days of longing
That true hearts only knew
For Serra's Bells returning
To the fold of the feeble few
Ah, Hark! The Bells are singing
To their stranger sisters ringing.
Of the joy their hearts are bringing
To Carmel by the Sea.

No day was ever brighter
No love so deep and pure
Nor seemed heart ever lighter.
In face of Victory sure:
For the Mission Bells are singing
To their new found sisters ringing
Of the joy to hearts they're bringing
In Carmel by the Sea.

Henry C. Veit, in "Redwoods."
* Two bells, belonging to Carmel Mission, which were in the Park Museum, San Francisco, for many years, were restored recently to their first home in Carmel.

Pine Cone Press

Senator Harding, observation leads us to believe, has created a strong impression of earnestness, sincerity and high sense of duty. His utterances are marked by a studied moderation; he exhibits no arrogance of opinion, and has made no extravagant promises of a millennium to be created by proclamation; he seeks rather to express the national spirit than to impose a doctrine of political infallibility. And there is as unmistakably a growing view that Governor Cox is a shifty opportunist, superficial in thought, reckless in appeal and irresponsible in statements.—Philadelphia North American.

The Carmel Bird Club will meet at Mrs. A. McDow's home, north Dolores street, at 2 o'clock tomorrow afternoon (not 3). A large membership is desired this year, not only for pleasure and profit, but to be able to assist the State Audubon Society in legislation to protect birds and animals.

The University of Santo Tomas is 25 years older than Harvard.

The Filipino people number 10,350,000, of which 9,425,272 are Christians and only 9 per cent non-Christians.

A Christmas "Suppose."

We would not change the children's Christmas. But suppose all the grown-up people were to say to one another: "This year, instead of my giving you a present and your giving me a present, let us club together and give our present to some poor child who will not have any Christmas. There are hundreds of them somewhere. Or, if we do not know of such a child, let us give our present to a hospital for children, for the aged, the blind, the feeble-minded." This to be, of course, in addition to what we usually give to charities at this season. Why could we not try this as an experiment, and see what the result would be?—Christian Register.

ORDINANCE NO. 37

AN ORDINANCE CREATING THE OFFICE OF CITY ELECTRICIAN AND RELATING TO THE PLACING, INSTALLING, OPERATING AND REMOVING ELECTRIC WIRES AND APPARATUS, AND IMPOSING PENALTIES FOR THE VIOLATION THEREOF.

THE BOARD OF TRUSTEES of the City of Carmel-by-the-Sea do ordain as follows, to-wit:

Section 1. There is hereby created the office of City Electrician, whose duties are those prescribed by this ordinance, and it shall be the duty of the City Electrician to enforce the provisions of this ordinance. He shall be appointed by, and hold office at the pleasure of, the Board of Trustees of the City of Carmel-by-the-Sea, and shall receive as his compensation, as such City Electrician such commissions or fees as shall be allowed him by the Board of Trustees of said City.

Section 2. The placing, installing or operating of electric wires, appliances, apparatus or construction, in or on buildings in the City of Carmel-by-the-Sea, shall be executed in accordance with the provisions of this ordinance, and under the supervision of the City Electrician.

Section 3. No person, firm or corporation shall supply electric current to equip with wiring, fixtures or apparatus, or make any alterations of, or changes in, or additions to any electric wiring or apparatus in any building in the City of Carmel-by-the-Sea, without first notifying the City Electrician in writing, and receiving from him a written permit to do the work. Such permit shall state the kind of work to be done, and it shall cover only the kind of work so designated. Such permit shall also state the location of the building where said work is to be done, and it shall be valid only for the location so stated. And when an equipment is found to conform to the rules and regulations adopted herein, the City Electrician shall issue a certificate that such rules and regulations have been complied with; but no certificate shall be granted until the equipment is made to conform to the rules prescribed herein, and it shall be unlawful to use any current for such building until a certificate has been furnished according to the terms of this ordinance. Nothing in this section shall be construed as prohibiting any person, firm or corporation supplying electric current for any electric wiring or apparatus which was installed in any building previous to the taking effect of this ordinance unless such electric wiring or apparatus has been condemned, as provided by the next Section.

Section 4. It shall be the duty of the City Electrician to inspect all electrical equipment from time to time, and if any part of any electrical equipment is or about any building in the City of Carmel-by-the-Sea shall be found to be dangerous to life or property, the City Electrician shall have the right and power, and it shall be his duty to notify the owner of the building or equipment to cease using electric current in such dangerous equipment, and to have the defects in such equipment repaired within a reasonable length of time, not exceeding fifteen days from the date of the notice. The City Electrician is also authorized to give written notice to the person, firm or corporation furnishing the electric current to any such dangerous equipment, to cease to supply the same until the defects are repaired, and the person, firm or corporation furnishing such electric current shall cease supplying the same until the said defects are repaired. In a prosecution for the violation of the provision of this Section, each day's neglect to comply herewith shall be considered and taken as a separate violation.

Section 5. The City Electrician may, before issuing the certificate provided for herein, grant a temporary permit to furnish and use electric current from any wires, apparatus and appliances for a period not exceeding ten days, if in his judgement such wires, apparatus or appliances are in such condition that current may be safely used therein, and there exists an urgent necessity for such use.

Section 6. The rules and regula-

tions of the National Board of Fire Underwriters, as embodied in their national electric code, as amended and published from time to time, are hereby adopted as the rules and regulations for electric wiring and apparatus in the City of Carmel-by-the-Sea, and this Section shall be construed as a continual adoption of the latest rules and regulations of the Board of Fire Underwriters.

Section 7. When an application for a permit for wiring in or about any building is made, the person, firm or corporation desiring to install such equipment shall, before the permit is given, pay to the City Clerk the following fees:

The total amount of any bill of fees to be charged shall not be less than One Dollar. For each outlet in excess of ten at which current is to be controlled or issued there shall be an additional charge of Ten Cents.

For inspection of electrical apparatus for which no fee is herein prescribed, or for any inspection service rendered, a fee of One Dollar and Seventy-five Cents per hour shall be charged for the time actually consumed in making the inspection.

Section 8. All plumbing and other piping or tube work must be in place on work to be concealed before the electrical wiring is inspected, and no such wiring will be considered as completed until such piping is in place. Upon making an inspection of any electrical equipment the City Electrician shall leave a notice at a conspicuous place on the building stating that the electrical work has been inspected by him. It shall be unlawful to lath, seal or in any manner conceal any electric wiring or other work herein prescribed, until the same has been inspected as herein required.

Section 9. In the event of the absence or inability of the City Electrician to act, the City Clerk may grant any permit herein provided for to be granted by the City Electrician.

Section 10. This Ordinance shall not be construed to relieve any party owning, operating, controlling or installing any electrical equipment, from responsibility for damages to any person injured by any defect therein, or to lessen the liability of such party for such damages, nor shall the City be held as assuming any such liability by reason of the inspection authorized herein or certificate issued hereunder.

Section 11. Every person, firm or corporation engaged in conducting the business of placing, installing or operating electric wires, appliances, apparatus or construction in or on any building in the City of Carmel-by-the-Sea shall appear in person, or by a duly authorized representative, at the office of the City Electrician, and shall there register his name and place of business in said City, which, upon his giving bond, shall entitle him to a certificate of registration, provided, however, that no certificate of registration shall be granted for a period of time of more than one fiscal year or the unexpired portion thereof.

Section 12. Every person, firm or corporation engaged in conducting the business of placing, installing or operating electrical wires, appliances, apparatus or construction in or on buildings in the City of Carmel-by-the-Sea shall, before registration, give a bond to the City of Carmel-by-the-Sea in the sum of Three Hundred (\$300.00) Dollars, with good and sufficient sureties, for the faithful compliance with the provisions of this article, and said bond shall be approved by and filed with the City Electrician.

Section 13. The failure, neglect or refusal on the part of any person, firm or corporation, after due notification by the City Electrician, to correct, obviate or remove any fault, error or deficiency in placing, installing or operating electrical wires, appliances, apparatus or construction in or on buildings in the City of Carmel-by-the-Sea shall be deemed sufficient cause for the City Electrician, and he is hereby authorized to suspend said certificate of registration for a period not exceeding thirty days.

Section 14. Any person, firm or corporation who shall do or attempt to do electrical installation, fixture or service connection work for electrical apparatus, whether original work or alterations, without giving notice in writing to the City Electrician, and without first obtaining a

permit to do such work, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine in the sum of not less than twenty dollars (\$20), or more than one hundred dollars (\$100), or by imprisonment in the county jail of Monterey County for a period not exceeding sixty (60) days, or by both such fine and imprisonment, and any person, firm or corporation who shall violate any of the provisions of this Ordinance, for which a penalty is not otherwise provided herein, and any occupant or owner of premises where electric wiring or apparatus is used, who shall prevent or interfere with the City Electrician in the discharge of his duties under this Ordinance, shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than five dollars (\$5), or by imprisonment for a period of not ex-

ceeding thirty (30) days in the county jail of Monterey County, or by both such fine and imprisonment.

Section 15. This Ordinance shall take effect and be in force thirty (30) days from and after its final passage and approval.

PASSED AND ADOPTED by the Board of Trustees of the City of Carmel-by-the-Sea, this 26th day of October A. D. 1920, by the following vote:

Ayes: Trustees Kibbler, Arne, Dorwart.

Noes: Trustees, None.

Absent: Trustees, Murphy, Reardon.

Approved:

Wm. T. Kibbler,

President of the Board of Trustees of the City of Carmel-by-the-Sea.

Pine Needles

William H. Butler, who formerly made his home here, lost his life last Monday morning in a Tuolumne county lumber camp. It is reported that he was crushed by a rolling log.

Mrs. Dell H. Munger, came down from Oakland last week for a brief stay here.

The Catons are moving this week to the Trethaway cottage, down near the gum tree section. It is said that the Short house is to undergo extensive alterations.

Goold's Stage, Transfer and Auto Hire office now at old building across from Carmel Garage. Phone 605 W 5.

Services in memory of the late Wm. H. Butler will be held at the Carmel Church on Sunday evening. The funeral took place at Chico last Wednesday.
